

# Directions:

*Join us at Maplelag on that less traveled road for an unforgettable experience.*

Maplelag is located within the White Earth Reservation boundaries, 20 miles northeast of Detroit Lakes, MN, and about one hour northeast of Fargo-Moorhead. We are four and a half hours northwest of Mpls/St. Paul and four hours south of Winnipeg and four hours east of Bismarck. Located on Little Sugarbush Lake in a maple-basswood climax forest, prairie lands are just five miles west of us, with no forests to speak of until the Rockies. To our east and north, you will find a mix of aspen, hardwood and pine stands. Itasca State Park (the source of the Mississippi River), is less than an hour away. And, it is half an hour to the Tamarack National Wildlife Refuge.
